Savings vary. Must be a McKesson Advantage Club member to qualify. Promotions and products are subject to change at any time. Please see your annual statement and corresponding invoices to determine your actual savings. Using both documents together will aid in calculating the true net cost/discount for any products purchased through this program. Refer to Promo Dates on your statement to determine which invoice to use in the calculation. To obtain copies of invoices, ask your Customer Service Representative or your Account Manager. To obtain copies of saving statement, ask your Account Manager or Customer Service Representative. Savings through McKesson Advantage Club are reductions in price for items purchased. The McKesson Advantage Club member is reminded that federal regulations require that reductions in price and discounts be properly disclosed and reflected in the costs claimed or charges made by providers under Medicare or a state health care program.

This notice and any similar notice provided by McKesson Medical-Surgical with respect to discounts received is to be retained by the McKesson Advantage Club member and be made available upon request to the Secretary of the Department of Health and Human Services ("Secretary"), the Secretary's designee, or a state health care program. This record retention obligation applies to both cost reporting members and non-cost reporting members. Products subject to being substituted by McKesson Medical-Surgical at anytime/Promos can be changed at anytime.

Promotional period is listed on the front page of the flyer. All required purchases to qualify for promotional offers must be made during the promotional period. Customers must purchase required quantities on the same invoice. Customers placing qualifying orders will receive their applicable promotional products no later than 14 business days after placing their order. Buyer is hereby advised that he/she may be obligated to fully and accurately disclose the amount of any discounts, rebates or other price reductions in cost reports or claims for reimbursement by buyer to Medicare, Medicaid or other health care programs requiring such disclosure.
