

More Distribution Solutions for Fast and Efficient Delivery

Our distribution expertise makes it easy for you to get the products you need, when you need them. With our strategic network of coast-to-coast distribution centers and our private fleet, we can deliver products to facilities quickly and efficiently.

NATIONWIDE DISTRIBUTION

- Next-day delivery options to over 95% of the country
- Private fleet delivery with over 800 vehicles
- State-of-the-art centers using innovative technologies such as Radio Frequency Identification and in-line QC sales for order accuracy
- Shipping 70 million lines per year

MULTIPLE DELIVERY OPTIONS FOR EVERY CARE SETTING

Bulk Shipping

- Delivery of multiple items at once to your facility when you need them

Patient Home Delivery

- Help downsize or eliminate shipping, inventory and warehouse space
- Individual orders can be shipped directly to your patients' homes - saving on time and labor

Patient Specific Bulk

- Save time and reduce costs with complete orders that are individually packed, sorted and labeled by patient

Clinician Trunk Bin

- With a supply closet right in the trunk of their car, your HHA clinicians are always prepared for last-minute patient needs and weekend admits
